This wrap is similar to our Kigali Nights Shawl however it is much wider and larger, and the whole piece is knit in stockinette. Wrapped in Lino remains a parallelogram with both ends knit using short rows and the slopes at each end are equally steep.

This pattern can be easy modified by casting on less or more stitches and changing the length of the stockinette section. This however will affect the required yardage.

notes

As a point of reference you may want to weigh your skein before you begin, then weigh it again once you finish your short rows so that you have an idea of how many grams you used for this first short row section.

It is important to leave enough yarn to finish the last short row section, purl one row while picking up the wrapped stiches, and to bind off. We used 30 grams, which is approximately 240 metres. If your gauge is different from our sample, then the amount of yarn needed to complete the last short row section will be different than what we used.

Set-Up

Cast on 163 sts.

Purl WS row.

Begin Short Row Section

Knit 3, W&T. Purl to end.

Knit 2 sts beyond wrapped stitch, picking up wrap as you go, W&T. Purl back.

Continue in this manner until there are no stitches left to W&T. There is no W&T at the end.

Once W&T section is complete, continue to the stockinette section.

Stockinette Section

Work in stockinette ending with a RS row until you have at least 30 grs left of your second skein of yarn (approximately 240 metres).

Begin your Short Rows:

Purl until the last 3 sts W&T. Knit back

Purl to 2 sts before the last W&T, W&T. Knit back.

Continue in this manner until there are no stitches left to W&T. There is no W&T at the end.

Purl 1 row picking up your wraps

Bind-off purlwise.

standard abbreviations

RS: right side

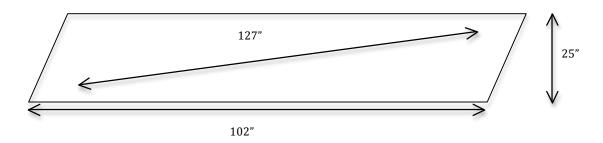

WS: wrong side

Wrap and Turn (W&T) on a knit side: Work to place specified in pattern, bring yarn to front of work between your needles, slip next stitch purlwise from left needle to right needle, then bring the yarn to the back between the two needles. Slip the previously slipped stitch back to the left needle, turn your work. Now you are ready to purl back.

Wrap and Turn (W&T) on a purl side: Work to place specified in pattern, bring yarn to back of work between your needles, slip next stitch purlwise from left needle to right needle, then bring the yarn to the front between the two needles. Slip the previously slipped stitch back to the left needle, turn your work. Now you are ready to knit back.

Picking up a Wrapped Stitch on a knit side: Knit to wrapped stitch, insert the right hand needle into wrap from the bottom (on the knit side) and lift the wrap onto the LH needle, then knit together with the stitch on the left hand needle.

Picking up a Wrapped Stitch on a purl side: Purl to wrapped stitch, insert the right hand needle into wrap from the bottom (on the knit side) and lift the wrap onto the LH needle, then purl together with the stitch on the left hand needle.
