Cascade Stole

by Teton Knitting Company

Of the six main canyons that cut through Grand Teton National Park, Cascade Canyon is one of the most popular hiking destinations for visitors every year. Surrounded by towering peaks with waterfalls tumbling down granite walls in the lower section, and graced with wildflowers, open meadows and glaciers in its upper sections of North and South branches, Cascade Canyon is one of the highlights of Grand Teton National Park.

The Cascade Stole combines vine lace, that resembles the tumbling waterfalls, with an elegant laces border that brings to mind the granite peaks that frame Cascade Canyon.

The stole can be made wider or narrower by increasing or decreasing the number of repeats of Vine Lace.

Pattern:

Cast-On:

Cast on 63 stitches in method of your choice. The knitted cast-on works well but any cast-on method that gives a firm edge will work. Knit two rows.

Body of Stole:

At the beginning of each row, slip the first stitch and knit the next stitch. Place stitch marker. Knit one repeat of the Peak Lace Chart, place stitch marker. Knit 5 repeats (or desired number of repeats) of Vine Lace, placing a stitch marker between each repeat if so desires. Place stitch marker, knit a repeat of the Peak Lace Chart. Place stitch marker, knit the last 2 stitches.

The border stitches will be knitted on every row.

Note: Charts do not include the 2 border stitches on each side of the stole. All rows of the chart are charted.
