#5701-K GRAFFIATO & TUTTI SHADOW BOX SHAWL – KNITTING INSTRUCTIONS

SHAWL: (Note: Knit from the bottom up. Increases will happen at each end. Be aware that the center pattern is a multiple of 10 and as you increase, the new stitches at each end must be worked into pattern as multiples of 10. Watch pattern carefully and use your gauge as reference. Make sure to read your knitting to keep pattern moving up and out at the same time.) With #8 needle and MC, Cast on 30sts. Work row 2 of pattern. Join CC and start with row 3 working as follows:

RS rows – K1, M1 Increase. Knit until 1 stitch remains. M1 Increase. K1 to finish the row.

WS rows – Work in pattern putting new stitches into pattern.

Continue in this manner, increasing 1 stitch each end of every RS row 130x and until 290sts are on the needle. If desired width and length have been met, bind off. If not, continue to make it longer and or wider leaving enough yarn to bind off. Bind off on next row.
